Beautiful Lighting

LED - A60 FROSTED - 12W BULB

This single bulb has three separate colour options which can be changed with a flick of a switch on the bulb.

2700K WARM WHITE, 4000K COOL WHITE
or 6000K DAYLIGHT

Nice and bright at up to 1400 lumens to really light up your life, yet dimmable if you choose to tone it down a little.

All Pendants, Floor lamps, Table lamps, Wall Lights and Lamps/Bulbs come with a 2 year full replacement warranty.

Frosted light bulbs are made to produce a softer, diffused light that is great to light areas such as family rooms, bed rooms, living and dining rooms.
