Beautiful Lighting

LUCA LED SUSPENSION PENDANT

This light comes with a 24 volt LED driver, it needs to be installed inside the ceiling or wall cavity.

LED driver sizes:

- 1.2m to 2.5m = 184mm x 61mm x 32mm
- 3m = 210mm x 67mm x 34mm

Please note - The drivers can differ slightly in size depending on what's available on the market but these are the preferred driver dimensions.

AS/NZS certified

Must be installed by a registered Electrician

All Pendants, Floor lamps, Table lamps, Wall Lights and Lamps/Bulbs come with a 2 year full replacement warranty.

Aluminium Extrusion:

- 1.2m, 1.5m, 2m, 2.5m or 3m long
- 58mm high x 60mm diameter
- Black, White or Custom Colour

LED Strip:

- 17W per metre
- 3000K (Warm) or 4000K (Cool)
- Dimmable

Please note - not all dimmer switches are compatible with this light. We recommend the Kiwi Electronics LED Universal Dimmer.

1 x Ceiling Rose:

- 33mm high x 80mm diameter

Suspension:

- 5mm dia and one wire houses the electrical connection.
- 2m long and may be shortened.
- 1 x Suspension and 1 x power cables (matching) are set 18mm in from one end

Please note - the two suspension points at each end of the light are fixed.
